HERE IS WHAT MOST INTERESTS ME IN TEA...

Getting into the tea sector became a necessity for me as an offspring of a tea farmer. In the last 20 years, I have seen the struggle of Nepali tea farmers and producers, do build an identity, find a market and sell their products. And thats what motivated me to get into this tea sector.
I work directly with the small farmers and tea producers in Nepal to build programs, train people about food safety, traceability and foster meaningful international connections.

RISING PRODUCTION COSTS & LABOR SHORTAGES

It is critical to build and train the next generation of tea entrepreneurs and farmers
